MAT242 Linear Algebra Syllabus Fall 2009

Text: Elementary Linear Algebra, Edwards& Penney

Instructor: Hal L. Smith; URL: <http://math.la.asu.edu/~halsmith>

Office: PSA 631, Phone: 965-3743, messages: 965-3951, e-mail:halsmith@asu.edu

Office Hours: 12-1:00 TTH or by appointment

Grading: 2 exams (100 pts.); final exam (100 pts); quizzes (100 pts).

Scale: A (90%-); B (80-89%); C (65-79%); D (45-64%).

Schedule	Date	Location	Time	Material
Exam 1	Sept. 29	testing ctr	see below*	Ch. 1,2,4
Exam 2	TBA	testing ctr	see below*	TBA
Final Exam	15, Dec.	classroom	12:10	TBA

Mathematics Testing Center*

Be sure to visit the website (<http://math.asu.edu/fym/tstcenter.html>) for the latest information on hours and policies. It is located in PSA 21 (basement). You must bring a valid ASU Sun Card to take the exam. The center is open from 9:00 am - 8:00 pm and you must be there before 6:30 pm. Keep in mind there may not be room for you if you arrive at the latest time. You should plan to take the exam as early as possible during the one-day allotted time since the testing center can get very busy. It is your responsibility to take the exam during the date scheduled.

WARNING: Make-up of missed exams will NOT be given. Permission to take an exam at a time other than scheduled requires instructor pre-approval, granted only under extraordinary circumstances. Arrangements must be made BEFORE date of exam.

Exams, Quizzes, and Calculators

The aim of this course is for the student to learn the key ideas of linear algebra and to become proficient in its computational aspects. Calculators can perform all the routine computations in the course but simply giving the results of such a calculation, as an answer on a test or quiz, will result in NO CREDIT! I require that all work be shown to support your answers-NO WORK-NO CREDIT. You may use a calculator to check your answer.

All students are expected to abide by the ASU Student Academic Integrity Policy (<http://provost.asu.edu/academicintegrity>).
