Fall 1999
Math 271, Calculus II

Instructor: Professor Don Jones, PSA 829, Tel: 5-3787

Office hours: MW 2:40-3:40, Th 12:00-1:30 or by appointment.

Email: dajones@asu.edu  Web Page: http://math.la.asu.edu/~dajones/dajones.html

Tests and Grading:

• Quizzes Weekly 10 min-long quizzes, announced two classes in advance. The questions on the quizzes will be obtained verbatim from the suggested homework. The lowest quiz will be dropped, and the quiz average will count 25% of the final grade.

• Tests Four examinations based on a score of 100 points each will be given in class and will count 45% of the total grade. The tentative dates for the tests are:

  Friday September 17,
  Monday October 11,
  Friday November 5,
  Friday December 3.

• Mastery Test: This consists of problems testing basic skills in integration. You may take the test three times if necessary. You need an 85% or better to pass the exam. A pass will count as a perfect score. If the exam is not passed with a score of 85% or better, a score of zero will be recorded. This exam will be taken in the Testing Center, PSA 21, on Wednesday and Thursday of the the eighth, ninth and tenth week. The mastery test will count 5% of the final grade or half of one test.

• Final Exam: All sections of MAT 271 will have a common final exam on Saturday, December 11 at 7:40-9:30am. The exam will count 25%.

The final grade is given by

Final Grade = .25 \left( \text{average of quizzes} \right) + .05 \langle \text{mastery exam} \rangle + .45 \left( \text{average of four tests} \right) + .25 \langle \text{final exam} \rangle

Make-up quizzes: Make-up quizzes will NOT be given. Permission to take an exam at a time other than the scheduled one will be granted at the instructor’s discretion, but these arrangements must be made BEFORE the date of the test. Messages may be left with the Mathematics Department office.
